

Artis Extra project days

Enhance your children's creative learning with an Artis project. From drumming and traditional dance in Africa to the myths of the Ancient Greeks, from the science of magnets to tackling pollution on the planet, each project fires students' imaginations while supporting school themes and priorities.

Select from the menu below or speak to us about having a creative specialist deliver a bespoke project day at your school.

Primary project menu

- **Adventure Africa**
An adventure through Africa exploring traditional tales, drumming and dance.
- **Ancient Egyptians (for KS2)**
We're on the hunt of King Tutankhamen's murderer! Through investigations of the ancient pyramids and deciphering hieroglyphics you can help us find the villain.
- **Ancient Olympics**
It's 776 BC and we're in the Greek city of Olympia. Welcome to the first ever Olympics! Compete in a variety of performing arts activities to see which city comes out on top.
- **Ancient theatre (for KS2)**
Travel back in time to explore the origin of theatre through mask and chorus work while learning about classic Greek mythology.
- **Awesome Australia**
Delve into the Australian Outback through aboriginal stories and songs, and venture across the landscape.
- **Britain at war – WWII (for KS2)**
Going back to the time of the Blitz, we explore what it was like to be a child during the second world war.
- **Bounce**
Our mental health and wellbeing project day allows your children to explore and express their emotions in a positive and safe way through music, movement and drama. We explore what mental health is, learn how to ask for help, as well as what makes us feel happy and well.

- **Caribbean Carnival**
It's carnival time! Calypso music, traditional carnival characters, and lively dance await in this Caribbean themed day.
- **Buzz: Electricity (for KS1)**
Watch as we light up the classroom exploring electricity through the performing arts.
- **Zip, Zap, Zing: Energy (for KS2)**
Enter the world of atoms, electrons and molecules and investigate different forms of energy through the performing arts.
- **Incredible India**
Learn about India from traditional mythology to Bhangra and Bollywood!
- **Blast off! Earth and space**
Fly to the moon and back while learning about gravity, planets, and extra-terrestrial life.
- **Magnetic fields**
Learn about magnetic fields and explore the science behind attracting and repelling through movement and music!
- **Reduce, reuse, recycle**
Explore the ways we can learn to value Earth's resources, help our planet and become more responsible citizens.
- **Protecting our planet**
Help your children become more environmentally aware. Look at endangered species and the effects pollution is having on the world today.
- **The Rainforest**
Learn about the wonders of rainforest through sound and movement! Join our Rainforest tribe as we go on an expedition into the wild.
- **The Victorians (for KS2)**
Enter into a time of productivity and advancement. Learn about the industrial revolution and the lives of Victorian children and while enjoying lively songs from the music hall!
- **Tudor Times (for KS2)**
Head back to the time of Elizabeth I, when Shakespeare ruled the theatre, and royalty ruled everything else.

- **Works of Michael Rosen**

Join us on a bear hunt, and other fun adventures, as we explore the works of Michael Rosen.

- **Works of Roald Dahl (for KS2)**

From *Charlie and the Chocolate Factory* to *Matilda*, journey through the whimsical world of Roald Dahl.
